No. CE 682212

## Product Specification

**Product Type:** Half Mask.

**Product Name:** 3M™ Half Mask 6000 Series.

**Models:** 6100 small size (standard industrial product)  
6200 medium size (standard industrial product) and version  
06962 medium size (Automotive Aftercare Division version)  
6300 large size (standard industrial product) and version  
06963 large size (Automotive Aftercare Division version).

**Technical Specification:** Harmonized European Standard EN 140:1998.

**Product Description:** The three Masks are of the same design only differing in terms of the size of the body of the Mask. The Masks are designed for use with a pair of the same type of 3M Filters and, where applicable, their associated 3M Filter Platforms and 3M Filter Retainers from the range specified in the Reference Leaflet for the Masks.  
The Masks are also Certified to EN 14594 as a component of the 3M S-200+ system.  
The 3M Filters and the 3M S-200+ system are the subject of separate CE Certificates.

**EN 140 classification:** Half masks for use with twin filters.

## Product assessments:

The product assessments were based on BS EN 140:1999, the English language version of EN 140:1998, respiratory protective devices – half masks and quarter masks.

No. CE 682212

## Packaged variants:

In addition to the products referenced on this Certificate, the standard industrial products may also be sold as market specific packaged variants. Such variants will be differentiated and the Technical File will be updated with the appropriate information.

## Kits and packouts:

The products referenced on this Certificate may also be combined with other 3M products into a kit or packout. There will be no change to the product but the user information may vary. In such instances the Technical File will be updated with the appropriate information.

## Certificate Administration Details

Technical File Reference: TF0248.

## Certificate Amendment Record:

Issue date	Comments	BSI Review No.
August 2018	First issue under PPE Regulation (EU) 425/2016, product initially Certified to Article 10 of the PPE Directive 89/686/EEC, BSI issued Certificate CE 571185 refers.	0086:18:8846326

## Certificate validity

The Certificate holder is responsible for ensuring that the Notified Body is advised of changes to any aspect of the overall process utilised in the manufacture of the product, failure to do so could invalidate the Certificate in respect of product manufactured following the introduction of such changes.

The validity of the Certificate for the products is also dependent on the maintenance of the EU Conformity to Type based on Quality Assurance of the Production Process, Annex VIII (Module D), as referenced on BSI issued Certificate CE 595701.
