Subject: AD746 – Anti-dumping investigation concerning imports of certain wires of silico-manganese steel originating in the People’s Republic of China

Pre-disclosure

I refer to the above ongoing investigation initiated by the European Commission on 11 December 2025.

The Commission intends to impose provisional anti-dumping measures on imports of certain wires of silico-manganese steel.

In accordance with Article 19(a) of the legislation in force⁽¹⁾ the Commission provides information on the planned imposition of provisional measures.

Please find attached the following document:

Annex 1: A summary of the proposed duties, for information purposes only, and the list of non-sampled cooperating exporting producers

This information does not prejudice any subsequent decision which may be taken by the Commission.

Any comments concerning this pre-disclosure should reach the Commission within 3 working days from the date of this letter. The Commission may disregard comments received after this deadline.

Comments should be limited to the accuracy of the calculations (if received) at this stage. Any other comments will be considered only after the disclosure of provisional measures.

If you want your reply to this disclosure, or any part thereof to be treated as confidential, please note that, in accordance with Article 19 of the basic Regulation, you must make a request justifying such treatment. Please label all submissions for which you request confidential treatment, as ‘*Sensitive*’.

⁽¹⁾ OJ L 176 30.6.2016, p. 21, ELI: <http://data.europa.eu/eli/reg/2016/1036/2020-08-11>

When submitting ‘*Sensitive*’ information, you must also provide a non-confidential summary, as required under Article 19(2) of the basic Regulation. Summaries should be sufficiently detailed to permit a reasonable understanding of the substance of the confidential information submitted. Please label this non-confidential summary ‘*For inspection by interested parties*’. This will be added to the file for inspection by interested parties.

If you fail to justify confidential treatment and/or do not provide a meaningful non-confidential summary, the Commission may disregard your submission, in accordance with Article 19(3). If you submit only one version that is not marked "Sensitive", the Commission will assume that it can be added to the file for inspection by interested parties.

If you have any queries or require further information, please email the case team:
